Screen Selection

From small to extra large openings

The LARSON Screen program was developed to fit your needs by offering products that cover a range of openings.

Large Opening Screens

Pages 4-7

Retractable Door & Window Screens

Pages 8-10

Traditional Screen Doors

Page 11

Select the one that fits your lifestyle

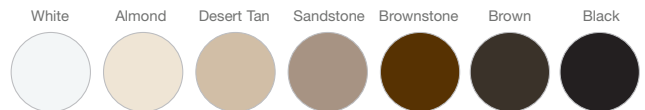

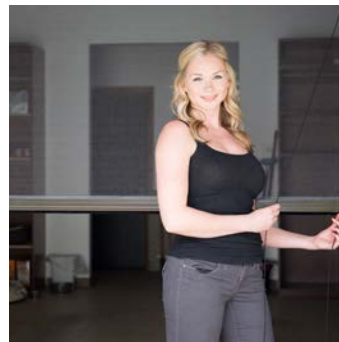

The complete line of retractable and fixed screen products to fit single and multiple door openings and windows. Now it's easier to enjoy convenient ventilation.

Available in pull down or side-to-side operation.

Ready to install to fit large and small openings.

Ideal for patios/lanai, garages, gazebos, windows and front doors.

Available in colors to complement your home.

Colors vary by model.

Large Opening Screens

Retractable Wall Screen

The large opening retractable screen panel.

The ideal screen solution for bi-folding, lift-n-slide and other large opening doors and windows. The Wall Screen is designed to fit openings up to 315 inches wide and up to 118 inches high. The expansive viewing panel and sleek design will be the talk of your neighborhood!

- Designed with elegant pleated screen fabric
- Easy, touch of a finger operation
- Custom made to fit your opening
- Pre-assembled for fast and easy installation
- Single panel opens from either end
- Double panel meets in the middle
- Available in White, Brownstone, Desert Tan and Black
