

# *Enhanced Door Program*

In order to meet the growing demands and desires of homeowners, contractors, and architects, Viwinco is always striving to improve and innovate our products. Therefore, we are proud to announce some exciting new upgrades to our patio door program; *Blinds* between the glass for a touch of privacy and convenience, *Larger Sizes* for endless design possibilities and better views, an *Upgraded Screen* for longevity and reliability, and a *Foot Bolt* for added security.

## Patio Door with Blinds

Add blinds between the glass for a modern and convenient way to increase privacy.

NOW AVAILABLE FOR VINYL SILL DOORS

- ◀ Blinds stay clean and protected from possible damage
- ◀ Easier to clean glass. No need to raise or remove blinds

	OPD419296	192 X 96

## Premium Moose Screen

We are now offering an upgraded heavy-duty 3" extruded aluminum frame patio door screen.

AVAILABLE NOW

- ◀ Less flexibility in the frame creates a great companion for our larger door sizes
- ◀ Comes standard with an auto-latching handle for convenience and safety, including a lock and unlock button
- ◀ Adjustable stainless steel rollers offer increased reliability and improved operation over typical plastic rollers

## Foot Bolt Kit

Securely lock your door in a closed or ventilating position.

AVAILABLE NOW

- ◀ Easy to use, one simple push with your foot. There is no need to bend over to lock
- ◀ Added security
- ◀ Easy to install
- ◀ Available for all sized doors

Recommended for vinyl sill doors only
