## Viwinco July 12, 2021 – Price Increase

June 11, 2021

Dear Valued Customer,

Viwinco has announced that due to material cost increases from their suppliers and increased labor costs they will be implementing a price increase that will be effective with orders placed on or after Monday July 12. This increase will be approximately 5% on all products. In the past Viwinco has tried to give 60 days' notice of any price changes, however with rapidly rising costs they are not able to give extended notice at this time. Please get any Viwinco orders you have in hand to us as soon as possible so we can work to get your orders placed with Viwinco in time to avoid the price increase.

We appreciate your understanding through these challenging times and look forward working to meet your window and door needs.

Sincerely,

David T. Smith

President
